FRANCONT'S HIPPODROMS. - PRODUCTION OF Versalles, in 1664, the most gergoous and asteunding pageant ever produced in America.

FRANCONT'S COLOSAL HIPPODROMS, PRODUCTION OF YEAR MINIST COLOSAL HIPPODROMS,
Daring Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and other exciting Chaes, and the Timburer wild Sports, and an exact representation of the French of Molifers, being an exact representation of the Franch wild be the Sports, grandeur, and fascination, the people of America have ever without exception, the finust display of beasty, grandeur, and fascination, the people of America have ever will the without exception, the finust display of beasty, grandeur, and fascination, the people of America have ever willeaved. Among the distinguished feature will be the PLEASURES OF THE ENCSANTED ISLAMS, in which the opening of the Mayle Rock will develope the fairy movements of the CORPS DE BALLET.

Composed of over one hundred and skyladdes.

In the grand Triumphal Procession, in which the entire stud, company, and was recourses of the establishment will participate.

THE RENOWNED FLORAL CAR, built and used by Francoul, at his litippedrome, as Paris, will be produced This beautiful moving temple was constructed at an in mense expense, and is, without doubs, the fascat affair ever exhibited—the adorating groups being aspeasions and revolutions, forming the most words, the fascat affair over exhibited—the adorating groups being aspeasions and revolutions, forming the most words, the fascat affair over exhibited—the adorating sports one and revolutions, forming the most womental expensions and revolutions, forming the most secrally claimed. Flannels are rather searce, and above purchasers' limits. Jeans are less active, the above purchasers' limits. Jeans are less active, the sheet pretenates of owners impeding transactions. can discover no decided change in linsers or muslin since. Satinets are rather spacingly offered and tending sards, being in brisk request. Tweeds are underately at eld rates. Foreign productions are even less in sand than domestics, but with these are equally rea and firm, though the weekly lenportations are augiting the supply considerably. Indeed, there is more ving now than there was twelve months ago and we apt to have a better stock and variety on hand in the r when the fall trade begins, than were here at the see period last year. But this increase of supply both regards amount and style, is not likely to lajure the sperity of the business, as it is really needed by the satry, and will be bought at a rapid rate and on favoraterms are soon as the autumn traffic commence, it now our leading imperters and jobbers are either out or abandoning the city, and will not resurator some seas they need not, from the fact that all parties supseen to heavy business can be transacted before the end east month. By that time everything will be in work of other country's richness, of an unusually tensive and lucrative fall trade, which we are dissent to think apt to be realized. We can note no essential or British fabrics at present.

Stock Exchange. Balcony, 12% cents extra.

CHRISTY'S OPERA HOUSE, 472 BROADWAT, ABOVE
Grand street.—Open every night during the week, under
the sole direction and personal supervision of E. P. Christy,
